## Memorandum of Understanding Between Liberty County Attorney's Office and Liberty County Sheriff's Office

This Memorandum of Understanding between Liberty County Attorney's Office (hereinafter, "CAO") and the Liberty County Sheriff's Office (hereinafter, "LCSO") is effective on the date appearing above the signature of the parties.

WHEREAS, the CAO has created a law enforcement agency pursuant to its authority under the Texas Code of Criminal Procedure Art. 2.12(5); and

WHEREAS, the Texas Commission on Law Enforcement (hereinafter, "TCOLE") requires all law enforcement agencies appointing officers to provide continuous radio communications at all times of the day and during all days of the year;

WHEREAS, the CAO lacks the ability to provide the continuous radio communications required of it by TCOLE;

WHEREAS, the LCSO provides all the infrastructure and personnel necessary to provide continuous radio communications and dispatch services for its own law enforcement officers;

WHEREAS, the provision of such continuous radio communications and dispatch services to the investigators of the CAO would provide minimal disruption or cost to the LCSO and provide for an opportunity to coordinate common law enforcement goals;

**THEREFORE**, the LCSO shall provide communication dispatch services to CAO through licensed communications operators in accordance with TCOLE regulations and standards. LCSO will include CAO on its communications networks including radio dispatch. CAO will be responsible for the expense incurred in acquiring the necessary radio equipment. LCSO and CAO will cooperate in the development of appropriate protocols for radio communications. LCSO will make available any necessary training to CAO for use of communications equipment.

Pursuant to Texas Department of Public Safety Rules and Regulations when an approved TLETS Agency (LCSO) makes criminal justice information available to another criminal justice agency (CAO), the TLETS agency must have on file a "non-terminal" agency agreement between the parties. Under the terms of such agreement which shall be in place prior to the beginning of operations under this MOU, and at all times during such operations, LCSO will make available to CAO access to TCIC/NCIC data as necessary and appropriate for CAO in carrying out its duties. A copy of the non-terminal agency agreement is attached hereto and labeled as "Exhibit A". CAO shall insure its investigators will have any necessary training and certification for access to said data.

Both LCSO and CAO will share training opportunities which may be available and of interest to either office. Training expenses will be paid as appropriate and consistent with others attending the training.

Any mutually agreed upon expenses incurred by or attributed to the CAO shall be invoiced by the LCSO and forwarded to the CAO.

This MOU shall remain in effect for one (1) year from its effective date. It shall be automatically renewed for successive one (1) year terms unless either party gives notice in writing to the other party at least thirty (30) days prior to the end of the term of its intent not to renew.

Signed this \_\_\_\_\_ day of September, 2018.
