OFFICE OF THE COUNTY CLERK
THE COUNTY OF LIBERTY
LIBERTY, TEXAS

OFFICIAL NOTICE
Birth Certificates

Beginning January 1, 2019, the State of Texas switched to a new printing system for State of Texas Birth Certificates. However, the Liberty County Clerk's Office has not received the requisite paper for the new system, and the paper appears to be on back-order. Consequently, the Liberty County Clerk's Office, in both the Liberty County Courthouse, 1923 Sam Houston, Liberty, Texas, and the Cleveland Courthouse Annex, 304 Campbell, Cleveland, Texas, will be unable to print birth certificates in the immediate future.

The Liberty County Clerk's Office recommends that those needing birth certificates call the office first to make sure the paper shipments have arrived. In the meantime, the County Clerk suggests that those needing birth certificates order them from the Texas Department of Health and Human Services, Vital Statistics Division, at www.dshs.texas.gov.

If you have further questions, please contact the Liberty County Clerk's Office in Liberty or Cleveland. Updates will be posted on the webpage. Thank you for your patience.
